What is it in the first place, and why do we want to investigate it? It may be that like the IMOB there will be schemes for more long-term visitors and different rates for short-term visitors. At Durham, Booth supported the Lancastrian branch of the NEVILLE FAMILY, favoring its members over their Yorkist cousins for offices in his gift.

A Companion to Britain in the Later Middle Ages

We are not Venitians or tourists, we are temporary residents. In this period residence became divorced from the colleges and students were able to live much more cheaply and largely unsupervised, at home, with friends or in lodgings in the university towns.
