W.C. Brown Co. - Understanding Evolution: History, Theory, Evidence, and Implications

Tags: #human #evolution

## What is evolution?

Opposition to the ancient Greek concept of evolution was an integral part of the early development of Christianity. All things depart; Nature she changeth all, compelleth all To transformation.

## An Evolutionary Timeline of Homo Sapiens

Indeed significant arguments against evolution were becoming more widespread before Darwin published his book, *The Origin of Species*. Thus this disturbance having been terminated, the governor of Alexandria, and the commander-in-chief of the troops in Egypt, assisted Theophilus in demolishing the heathen temples.

## An evolution in the understanding of evolution: New modeling tool has implications for better understanding of disease

I am at a loss what to say respecting those who, when they have once erred, consistently persevere in their folly, and defend one vain thing by another; but that I

sometimes imagine that they either discuss philosophy for the sake of a jest, or purposely and knowingly undertake to defend falsehoods, as if to exercise or display their talents on false subjects.

## An Evolutionary Timeline of Homo Sapiens

We may, therefore, rest assured that among her productions nature has not really formed either classes, orders, families, genera or constant species, but only individuals who succeed one another and resemble those from which they sprung.
