### LET Reviewer Professional Education Prof. Ed.:

From this standpoint, all students get to participate and work at a level that allows them to grapple with a complex text.

### Strategies to Support Learners Who Are Below Grade Level

Choosing abstinence : a curriculum for grades 5-8 Author: Dale Zevin Publisher: Santa Cruz, CA : Network Publications, 1989.

### Motivating Young Adolescents

State departments of education are generally responsible for disbursing state and federal funds to local school districts, setting parameters for the length of school day and year, teacher certification, testing requirements, graduation requirements, developing learning standards and promoting professional development.

### Sexuality Education

Comprehensive sexual health education must do more.

### Middle School Tips: Cognitive Development

It must provide young people with honest, age-appropriate information and skills necessary to help them take personal responsibility for their health and overall well being. Within SHE, a SHAC can make valuable recommendations to strengthen curriculum or professional development and training opportunities for staff. A truly compassionate education cannot allow the desire for a nurturing environment to trump access to a rigorous, well-taught curriculum.

### LET Reviewer Professional Education Prof. Ed.:

Do you consider yourself to be a respectful person? Moving into adolescence: The impact of pubertal change and school context.

## **Adolescent Issues Unit Introduction**

Each year in the United States, about 750,000 teens become pregnant, with up to 82 percent of those pregnancies being unintended. I work to solve problems without violence. Sexuality Information and Education Council of the United States, SIECUS State Profiles, Fiscal Year 2012.

## **Adolescent Issues Unit Introduction**

Gay, Lesbian, and Straight Education Network. Without the backstory, learners are trapped behind walls of indifference. Department of Health and Human Services; 2012.
