Rural development approaches

In India a strong preference for sons over daughters exists, unlike in Western cultures.

The European Network for Rural Development (ENRD)

Besides employment, the other reasons for rural exodus have been natural calamities, political disturbance, foreign invasions, missionary zeal and the spirit of adventure. Thus, they have swelled the ranks of either the small cultivators or the landless labourers.

Rural issues and development

He published several articles related to microfinance, MSE development and mainly local economic development and recovery.

Discussions : Skills for Employment : Skills for Rural Employment

The results in the wastage of valuable public resources, and unnecessary delays in achieving the objectives. The small farmer is not totally free to accept outside jobs, even when they are available though he needs them most, unless they are complementary in time to and coextensive with his period of idleness.
