## The viking age : the early history, manners and customs of the ancestors of the English

Thank you for visiting nature. Wikipedia citation Copy and paste this code into your Wikipedia page. We are present at their athletic games preparatory to the stern realities of the life of that period, where honour and renown were won on the battle-field; at the revel and drunken bout; behold the dead warrior on his burning ship or on the pyre, and surrounded by his weapons, horses, slaves, or fallen companions who are to enter with him into Valhalla; look into the death chamber, see the mounding and the Arvel, or inheritance feast.

## The Viking Age: The Early History, Manners, and Customs of the Ancestors of the English

## The Viking age : the early history, manners and customs of the ancestors of the English

THE author of this work has persuaded himself that the invaders who conquered and settled in Britain after the departure of the Romans were not, as we have been taught to believe, Low Dutch tribes, but Norsemen. Her work cannot be undone; should she to-day sink beneath the seas which bathe her shores, her record will for ever stand brilliantly illuminated on the page of history.

## The Viking Age; the Early History, Manners, and Customs of the Ancestors of the English

We listen to the old man giving his advice at the Thing.

## **The Viking age : the early history, manners and customs of the ancestors of the English**

A study of the ancient literature and abundant archaeology of the North gives us a true picture of the character and life of the Norse ancestors of the English-speaking peoples. It is unfortunate that he should have hampered himself in his researches by so arbitrary a theory. Of course, no one disputes that there is a strong Scandinavian element in England; the fact has always been perfectly well understood by historians, and has received from them due attention.

### **The Viking Age: The Early History, Manners, and Customs of the Ancestors of the English**

Everywhere we see that gold was in the greatest abundance. In studying the history of the world we find that all the nations which have risen to high power and widespread dominion have been founded by men endowed with great, I may say terrible, energy; extreme bravery and the love of conquest being the most prominent traits of their character. Britain, after a continuous immigration which lasted several hundred years, became the most powerful colony of the Northern tribes, several of the chiefs of the latter claiming to own a great part of England in the seventh and eighth centuries.
