## Peace

Biblically, shalom is seen in reference to the well-being of others Genesis 43:27, Exodus 4:18 , to treaties I Kings 5:12 , and in prayer for the wellbeing of cities or nations Psalm 122:6, Jeremiah 29:7. There is considerable difference between peace and a truce. Comment: This verse teaches that true shalom, true peace, true inner harmony, calm, wholeness, etc, is not something we can conjure up or manipulate circumstances in order to produce.
