### Islamic History

With the conquest of Lahore by Mahmud of Ghazni, missionary activity began again under the aegis of Sufis who were the main agents in the Islamization of the entire region. Their military prowess accorded protection to South Asia from upheavals caused by in the thirteenth-century. The was formed in 1352 after , ruler of , defeated of Lakhnauti and of ; ultimately unifying Bengal into one single independent Sultanate.

### Muslim South Asia

They believe that humans can have an experience with God through intuitive and emotional abilities that Sufis learn through training. He sends out many disciples to Gujarat, Bengal, and the Deccan.

### History of South Asia

In the year 610 A. Devout Muslims must tithe, or pay a tax of 10 percent or so, for the poorer people in the community.

### Islamic Civilization

Upon his father's death, Ali was driven out of his inheritance by his brothers.

### Islamic History
