### Marele Dictionar Geografic al Romaniei

¿Tiene características geográficas especiales este área? For this new edition, all existing entries have been fully revised and updated, and there is now expanded coverage of economic geography.

### Geography

From the laboratory to the classroom, from outer space to the ballot box, women around the world have been making history since before ancient times.

### Recording a Dying Language

Other bands inhabiting the Tule River Reservation include the Mono and Tübatulabal.

### Geographic Names

The National Map Gazetteer is the geographic dictionary of domestic feature names allowing users to conduct multi-attribute searches for geographic features based on the current official name, alternate or historical names, feature classifications, states, counties, USGS topographic maps, and other attributes. Containing over 6,400 entries on all aspects of both human and physical geography, this best-selling dictionary is the most comprehensive single-volume reference work of its kind.
