## **Article: United Kingdom: A Reluctant Country of Im.**

Introduction The story of early Britain has traditionally been told in terms of waves of invaders displacing or annihilating their predecessors.

### **U.S. Immigration Before 1965**

Thus over the last five years, there have been passionate debates about national identity and concerns over radicalization in Muslim communities.

### **Migration, cultural bereavement and cultural identity**

This paper will review the concepts of migration, cultural bereavement and cultural identity, and explore the interrelationship between these three aspects of the migrant's experience and cultural congruity.

### **An independent and non**

The sheer size of the inflow has meant that Polish nationals, despite the high churn, jumped from being the United Kingdom's 13th-largest foreign-national group at the end of 2003 to number one by the end of 2008. House of Commons Home Affairs Committee.

## **Article: United Kingdom: A Reluctant Country of Im.**

Social and cultural factors have been implicated in the aetiology of mental illness in immigrants and refugees, and further study is needed to better understand the role of culture as pathogenic or patho-protective. Among EU nationals, citizens of new Eastern European member states recoded the highest shares of those coming for work. Small numbers of people born in the colonies of Australia, New Zealand, Canada and South Africa also migrated to Britain.
