The Mysteries of Harris Burdick: Using Illustrations to Guide Writing

Just the title made me want to buy this, and I am not disappointed. Ask what they think his house is like, what job does he do? It is the essential source of information and ideas that make sense of a world in constant transformation.

In addition to encouraging children to write stories inspired by Van Allsburg's writing, we can encourage them to be inspired by an aspect of his process as well: we can teach students to invent their own lists of writing ideas, with pictures to go along, if they like. Writing Time: During writing time, your students will be writing lists instead of stories, so they may appear to be less focused than usual.

Teacher's Guide for The Mysteries of Harris Burdick by Chris Van Allsburg

Try reading these stories in the dark with only a flashlight and decorating your classroom like a haunted house! This is an intriguing picture book for an older child or adult. Next, using the same picture, write the story with a completely different emotion in mind. The collection are the only images and the titles of the books that may or may not have ever existed.
