International Trade Finance

In such an arrangement, a company utilizes the receivables — the money owed by the customers — as a collateral in getting a finance. Many IOs, including most of the specialized UN agencies, provide their development assistance in the form of grants.

International Trade Finance

Prior to joining AFC in 2008, Nana worked for the African Development Bank AfDB where she led on the legal aspects of financing of projects covering infrastructure and for economic development. Climate business for poverty reduction? Further, states may use earmarked funds for a variety of self-interested purposes for which multilateral aid financed through core funding is not as useful.

International Trade Finance

In this regard, the Eichenauer and Reinsberg , McLean , and Reinsberg contributions to this special issue represent important attempts to provide more complete and accurate data coverage of IO development finance flows and thus improve our collective understanding of the politics and the effects of such flows.

Africa Finance Corporation secures US\$250 million capital loan from US Government's International Development Finance Corporation

First, for a growing number of multilateral development finance suppliers, there are either no data or insufficiently complete and accurate data. Experience sharing among African countries could help to develop innovative solutions to data constraints.

History

In addition to grants and loans, multilateral institutions provide substantial and increasing amounts of financing e.

Independent Evaluation Group

It particularly encourages joint ventures between developed and developing countries, the technical skill available with the former combining with the resources available with the latter.
