Favoritism, Cronyism, and Nepotism

Can you meet unofficially with union members outside of the collective bargaining process? Promote Ethical Organizations: Strive to attain the highest standards of ethics, stewardship, and public service in organizations that serve the public.

NY County Public Administrator

Can you use political contributions for personal purposes? Complaints must specifically reference the tenet of the Code the complainant feels has been violated. Representational services include any communications on behalf of another party with the intent to influence the Government.

These other persons include the employee's spouse, minor child, general partner, an organization in which he or she serves as an officer, trustee, partner or employee, and any person or organization with whom the employee is negotiating or has an arrangement concerning future employment. Are you willing to speak truth to power? When it comes to the public sector, strong ethics are paramount.

Code of Ethics

There are limited exceptions, such as for representing other Federal employees in personnel matters; representing a not-for-profit organization in certain matters, if a majority of its members are current Federal employees or their spouses or dependent children; representing oneself or one's immediate family or a person or estate for which the employee acts as a fiduciary, but not where the employee has participated officially or has official responsibility; or acting as an agent or attorney, in certain matters, for a tribal organization or intertribal consortium to which the employee is assigned under the Intergovernmental Personnel Act or , after advising the Government in writing of any personal and substantial involvement the employee has had in connection with the matter. Be open, transparent and responsive, and respect and assist all persons in their dealings with public organizations.

Unavoidable Ethical Dilemmas for Public Officials

These laws apply to all Federal employees and carry criminal penalties for noncompliance. We thank you in advance for your understanding and sincerely apologize for any inconvenience. Can you hire friends or family? As described in the preamble of the Constitution, the purpose of our government cannot be achieved without an ethical framework, making ethics a critical component of public administration.

Public Officials as Fiduciaries

Each borough of the City of New York has its own Public Administrator.

Public Officials as Fiduciaries

Does your conduct conform to generally accepted principles of civility toward constituents, elected colleagues, and staff? Others may restrict the hiring of relatives or friends in more general conflict-of-interest rules. Can you use confidential information learned in office for purposes outside of official business? Is your first commitment to consider the needs of your community, district, city, state, or nation? When animus is displayed by council members towards each other, it causes the public to wonder if private feuds are taking precedence over the common welfare. Note that when general ethical duties to family or friends conflict with duty to the public, the public duty must prevail.

The Importance of Ethics in Public Administration

Are conferences attended by you and your colleagues considered meetings? Phone messages will be regularly monitored and all calls will be returned as soon as possible.
