Buckeye Trail

Crossing three national parks and seven national forests, the 1,200-mile route, which dances along the Canadian border through stunning mountain ranges like the Selkirks, the North Cascades and the

Filesize: 26.24 MB

Olympics, takes most hikers 60—70 days. Official Trail Website: The Appalachian Trail AT The Appalachian Trail, or better known as the AT by those who hike it, is probably the most well-known of the National Scenic Trails. They are divided into categories within each state, organized by state from east to west.

Buckeye Trail

Although the bill intended to collect funds for conservation, the American Hiking Society said that the tax was an unfair burden on hikers, since everyone who enjoyed the outdoors would benefit.

Ten Thru

The efforts of American Hiking Society have followed a long and winding footpath. PNT Official Trail Site: American Discovery Trail At an estimated 6,800 miles, the American Discovery Trail is one of the longest hiking trails in the world.

Barbara Savage Award Bks.: American Discoveries : Scouting the First Coast

Today, the National Trails System includes eight National Scenic Trails, 15 National Historic Trails, and more than 1000 National Recreational Trails, but no trail linking the network from coast to coast. Trail is well marked, though sometimes overgrown in spots.
