## Luma Fracto A 3 In 1 Card Games at Rs 399/box

The product has been used or tried out by you. Bank processing charges for the cancelled order will be borne by the customer in case of order cancellation. Visual, text and number cards raise interest and promote interactivity.

## Interactive Fraction Wall

Luma changed my perception and made me believe that it's important to try various mediums for my child to learn. The stronger ones are taking more than the weak.

## Interactive Fraction Wall

They demand that all resources be divided rightfully among them

## Luma Fracto A 3 In 1 Card Games at Rs 399/box

However if you turn on the equivalent fraction function by clicking the 'Eq' toggle button. Now when a brick is clicked the other layers will turn on bricks if they can match an equivalent fraction.

## **I have Who Has Fractions Game**

The LUMA box helps me work with him at every step of the way to ensure he understands maths and doesn't fear it. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge client base in the market.

## **Luma World Educational Card Game for Ages 8 and Up: Fracto**

This wall also allows the display of decimal and percentage values. The problems were many and the solutions, scant. Each brick can be turned on or off by clicking it.
