Multidisciplinary Accepted Language: English Only Type of Articles: Research Paper, Survey Paper, Informative Article, Case Studies, Review Papers, Comparative Studies, Dissertation Chapters, Research Proposals or Synopsis, M.

### Publications & Research

While there are several types of research articles, such as short communications, review papers and so forth, these guidelines focus on preparing a full article including a literature review, whether based on qualitative or quantitative methodology, from the perspective of the management, education, information sciences and social sciences disciplines. In doing so, I highlight any sections of the manuscript that I would like reviewers to be absolutely clear on. The Journal of Public Health Research is an online Open Access, peer-reviewed scholarly journal in the field of public health science.

### Research Publish Journals

Have a professional editing firm copy-edit not just proofread your manuscript, including the main text, list of references, tables and figures. Give a special effort to make your paper clear, engaging, and easy to follow.
