## Official Journal of the European Communities: Information and Notices

Sometimes files are moved or deleted and the coverage may change. CELEX is the legal database of the European Communities.

## Office for Official Publications of the European Communities

The database coverage is from the founding treaties forward, if in force after July 1, 1979. XX with permission from The Royal Society of Chemistry. Authors contributing to RSC publications journal articles, books or book chapters do not need to formally request permission to reproduce material contained in this article provided that the correct acknowledgement is given with the reproduced material.

## Official Journal

WESTLAW Database Identifier: EURUPDATE is the European Update database that covers a broad range of issues and industries such as general EC policy, economic and monetary integration, environment, banking, and intellectual property.

## Official Journal

Texts from 1952 that were still in force at the respective accession dates are, in principle, also available as part of the special editions published in the framework of these enlargements.
