Remix

The kids really seems to like most of it, because it's timely, relevant, and spurs great discussions in class.

9780312681678: ReMix: Reading and Composing Culture

If you do not receive your e-mail, please visit. Each chapter not only offers works by major authors—such as Joan Didion on the idea of home and Adam Gopnik on the Internet—but also some surprises, like Tina Fey on competition, Mindy Kaling on entertainment, and Louis C. May show signs of minor shelf wear and contain limited notes and highlighting.

This inquiry-based approach allows students to write about culture and identity in a meaningful way.

ReMix Reading and Composing Culture

About the Author Catherine G. Community... or, are these your people? The course will make turntables and a DJ controller available for students to work on mixes and DJ techniques live, in class.
