The case of the black

Gardner personally cast actor Raymond Burr—dark, handsome and velvet voiced—for the TV role, and episodes still run today on television all over the world. And Frank Glenmore, Jason's friend and right hand man, who prefers digging up the present. It made me miss working on the comedy-noir radio drama I used to write for at Oberlin.

And then it isn't long until they get involved will all sort of people who are, unfortunately, also of interest to Lieutenant Tragg and Sergeant Holcomb. After lots of detective work and thinking over how the murder took place, Mason starts to get close to the murdered and also discovers new characters who are in play. Now Carl's mother and Jason's second wife is a gold digger being with Jason just to extract as much money she can for her good for nothing son.

The Case of the Black

I can't say gardner is a favo There are too many books to do individual reviews for so this is an author overview really. This one was written in 1944, and is excellent. It was not the person that I suspected.
