## World History Timeline

He rapidly became famous all over Europe for his energetic and balanced woodcuts and engravings, while also painting. Some

authorities have interpreted it as the encounter between Roger de Montgomery and the English at the battle of Hastings.

## Oil Painting by John Woodhouse Audubon Leads Maps & Atlases at Swann December 17

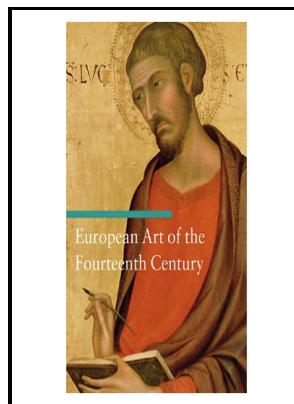

Just as Charlemagne had done before him, Otto turned to Constantinople, marrying his son to the daughter of Emperor John Tzimisces. These glimpses of the capitals at Dijon are extremely valuable as they aptly sum up the basic principle of Romanesque sculpture: its absolute subjection to the shape and plan of supports, no matter how exacting these might be. At Saint-Savin-sur-Gartempe there was a still more spectacular piece of unforeseen reconstruction.

## 800 AD

France In the early part of the period, the Roman province of Gaul gives way to the Frankish kingdoms, led for some 250 years by the Merovingian kings. Its precise chronology, however, is hard to establish, for its development took place in different ways and at different times in Italy, Germany, France and Spain.

## Gothic art

John the Baptist, his birth and naming and to the left of this scene, a hieratic angel in the Italian-Byzantine manner. Their religious paintings had an style somewhat similar to Grünewald's. Lothair's lands are again subdivided under.
