### Annie Palmer

There are interesting facts about Jamaica, slavery, the plantation trade and local obeah. It is challenging, but fun.

### White Witch Golf Course (Rose Hall)

Unfortunately it is an accurate depiction of the Jamaican world I visited Jamaica multiple times with my parents when I was young and Jamaica was still very undeveloped. I continue to see changes for the better every year. The course itself has some of most stunning views I have ever seen.

However, she had lived the better part of her life in Haiti.

### The White Witch of Rose hall by Herbert G. de Lisser

Women are slender and gorgeous and men are handsome and muscular. When I first started reading, I thought it was going to be a gothic novel set in Jamaica.

### White Witch of Rose Hall

Annie was never accused of his death and went on to inherit the and his fortune. She left the estate shortly after.

### The White Witch of Rosehall

Due to explicit implications of curs I'm giving it 3. Some people say that the legend of infamous Rosehall started with this novel of historical fiction. Annie then shifted to Jamaica and got married.
