## National Soil Maps (EUDASM)

I don't know why it is yellow. But a Brython could hardly understand what the words in Barbh meant, and certainly not after he had transformed them into Ammanw, with the nb assimilated into mm, and the accent shifted to the first syllable.

## Home at the National Association for Areas of Outstanding Natural Beauty

Disappointingly, that figure has advanced by only 16 since then, and for such a large area, overall numbers are low.

## Upland Path Erosion

I was, very much so, so after breakfast she got the Land Rover out and took me, Steve and Sheila up to them.

## Inside the 'magical' cave hidden beneath Flintshire that's thought to be over 500,000 years old

The interior consisted of two parts, the largest of which had an oblong tower, rounded at one end, fifteen yards long and twelve yards wide. The Whitley Grange villa, for example, may represent a hunting lodge rather than a permanent residence or farmstead Gaffney and White , 278. In contrast, although few of the small enclosures reveal traces of house platforms, those that do probably provide a more accurate picture of the number of buildings within them.

## Natural Resources Wales / Coed Moel Famau, near Mold

Syn-mineralization faults are difficult to identify at Parys Mountain because the footwall generally comprises a monotonous shale sequence, while hangingwall rhyolites show lateral thickness variations related at least partly to volcanic constructional processes. It was neck-twisting time again as the panorama surrounding me opened up. I went on into Newchurch so called.

## The development and management of country parks in England and Wales

Its emplacement may have disrupted some of the sulfide-shale intervals to produce local mud-rich debris flows, some with sulfide clasts. Scarcer in the pantheon of site types are smaller hillforts. Also, it fitted in with Phil's plans, so I didn't need my arm twisting! Now among the one hundred and forty Englynion upon this subject, many fair examples have been offered, which do not include the subject by name : they were, therefore, laid aside.
