Speaking of Jung

Kundalini yoga presented Jung with a model for the developmental phases of higher consciousness, and he interpreted its symbols in terms of the process of individuation.

The Psychology of Kundalini Yoga: Notes of the Seminar Given in 1932 by C. G. Jung von C. G. Jung

With sensitivity toward a new generation's interest in alternative religions and psychological exploration, Sonu Shamdasani has brought together the lectures and discussions from this seminar. I enthusiastically recommend this book as an introduction to realms of analytic thought generally outside the classical and mainstream views.
