Gaston says her success with the chickens led to her new money-making hobby. Bend them to make a staff shape. Get dramatic--it will catch on! Add 2 large googly eyes, fold some pink coffee filters and glue as legs, cut one as a curly-q tail and VOILA! Keep adding drops of different

colors into the middle while you talk with the children about what they see.

Your Dream Garage charges rental time by the hour, after all. Instead of sprawling out in my girlfriend's backyard working in the blistering sun, destroying my knees, and being a poor influence on the neighborhood youths with my colorful language, I'd have a lift with air tools to do everything! A popular brown-egg strain, the APA suggests, is the Hubbard Golden Comet, which is a Red Sex-Link hybrid that lays between 180 and 240 eggs per year.
