### What Does Cyka Blyat (Сука Блять) Mean & Can You Say it to Russians?

The book starts with images of letters and accompanying visuals of words, and then moves on to putting letters together to make syllables and then words, noting correct pronunciations. Because of this, the Cyrillic alphabet is relatively easy for English speakers to learn. The ng sound at the end of words like sing or thinking is difficult for Russian learners to produce accurately.

### What Languages Are Spoken in Russia?

And even once you know the rules of the language, vocabulary is still key, so you will continue to use even these basic words once you are fluent.
