### Star King

The 140 pages are entertaining and filled with action.

### Book review of Star King by Jack Vance

But please don't let that dissuade you from reading the book. Also note that these may not be all of Kirito's Sword Skills, but simply most of the ones he has been shown to use.

### Starr King for the Ministry

Star King was originally serialized in the December 1963 and February 1964 editions of magazine, as The Star King.
