He was awarded the Navy Cross, but only after persistent pressure from the black press. In this case, 93% of readers who voted found the article helpful, earning it our reader-approved status. If there is a suggested-reading list, sources for further reading—some of which may have been cited in the text—are given.

### The Exhibitors' Handbook

Extracts should not be enclosed in quotation marks, and any quotations within them should be enclosed with double, not single, quotation marks. If short forms are used for the elements of bibliography and exhibitions, then the full information will be found in the overall bibliography at the end of the catalogue. All titles should be given either headline-style or sentence-style capitalization.
