Religion and Peace

The ideal kingdom was a dharma realm, a place where the king should practiced non-violence, harm nobody, and try to preserve peace and avoid war.

Religion, Conflict and Peace

This paper is about religion and war; terrorism is not war in spite of much recent

Filesize: 69.62 MB

semantic confusion. The break up of the USSR which still had its military intact shows the limitations in calculating power based upon armies. It also emphasizes the importance of keeping issues of social justice front and center, so that religious peacebuilding does not merely make the participants feel better.

Religious Contributions to Peacemaking: When Religion Brings Peace, Not War

Pius XII insisted that biological, chemical, and nuclear war are morally unacceptable under any circumstances because they do not protect civilians and do disproportionate damage, but during the Reagan administration the American bishops allowed the possession of nuclear weapons if done on a interim basis and with no intent to use. War has publicly declared political objectives and is fought to attain them.

War and peace in the world's religions (1978 edition)

This paper is based upon his A History of Christian, Jewish, Hindu, Buddhist and Muslim Perspectives on War and Peace, vol. In spite of many vicissitudes, the Pandavas — because they have the gods on their side — will prevail. The Quakers were very concerned about becoming the center of attention.

Religion, Conflict and Peace

Under many Latin American dictatorships in the 1970-1980s, the Catholic Church was able to criticize the lack of. Buddhism Buddhism seems the least likely of a major religion to legitimate war. More recently, René Girard saw early religions as a kind of Freudian displacement mechanism whereby we ritually sacrifice a kind of scapegoat in order to keep ourselves from killing each other.
