## List of works by Dylan Thomas

But what do I know? After settling in Switzerland, the young poet almost completely discarded Romanian as his language of expression, writing most of his subsequent works in French. In parallel, the short-lived magazine Integral, where and were the main animators, took significant interest in Tzara's work. Péret immediately upset Picabia and Tzara by refusing to make the trial an absurd one, and by introducing a political subtext with which Breton nevertheless agreed.
