Be aware of legal requirements and consider public comments. A well-made financing policy is important for the growth of the organization in long run. Contracts in excess of an amount determined by the Board of Directors shall come before the Board for approval before they may be executed.

#### **Adopting Financial Policies**

Gifts received electronically, such as stock transfers or on-line contributions should be properly recorded by the Treasurer to the Board and by the Operations Director of the MPA Program. The organization works with nonprofits in all fields of service by offering loans, training, and financial management advice and resources to help organizations address unexpected events, finance new opportunities, and realize strategic goals. Gift Acceptance FAN will accept stock or other negotiable instruments as a vehicle for donors to transfer assets to the organization.

#### **6. Structure of Financial Management Policy**

Policies governing the amount of resources to be held in reserve and conditions under which reserves can be used.

#### **Van Horne, Financial Management and Policy, 12th Edition**

The Updates shall be then be reviewed by the Board of Directors at each regular meeting of the Board. Choice of factor will depend on relative merits and demerits of each source and period of financing. This means that the NGO should provide accurate and timely information to donors, beneficiaries and all relevant stakeholders.

#### **Financial Management**

The strategic intent articulated by many financial policies necessarily demands a long-term perspective from the organization. Effective financial policies share some of the following traits. Financial policies identify important risks to financial condition.
