## La jument des Mongols by Jean Basile

Zaire meanwhile took fourth place with slightly more than 98,000 livres in nightly sales. La revue est ouverte aux interprétations des différentes écoles historiques, sans exclusive, à condition que les sujets soient traités avec la rigueur scientifique nécessaire à la discipline. These studies—and many others—confirm this expectation by shining a spotlight on Molière.

## Maurice Leblanc

Although OEdipe debuted at the royal theater in late 1718, during the 1720s it became the sixteenth highest earner of the decade. The revolutionaries had explicitly adopted Voltaire, like Rousseau, as a forefather of the Revolution.

## Tous les mots de 7 lettres contenant les lettres D, 2E, O, P et S

Throughout the nineteenth century, his plays continued to spark bitter disputes among critics that were as much political as they were literary.

## Maurice Leblanc

It started on 20 March at number 22 before climbing to a peak of number nine the week after.
