9 Books to Help Kids Understand Death

Fortunately, there are resources that can help. Siblings cope in a variety of ways depending on their developmental stage.

Death: How to Explain it to Children

Explain why you are crying. Interesting anyway, thanks for sharing.

Children's Understanding of Death: Developmental Guidelines

Children's logic usually causes them to blame their actions or behavior as a cause for someone's death. It means remembering the person with love, and letting loving memories stir good feelings that support us as we go on to enjoy life.

How to Help a Child Worried About Death

Recommended for ages 4-8 This bittersweet tale of two inseparable polar bears is based on real-life pair Gus and Ida, the in New York City. For specific medical advice, diagnoses, and treatment, consult your doctor. Kaplan Early Learning Company understands that children have different coping mechanisms, which is why we strive to provide you with quality resources and materials that will help all children eventually understand and accept the loss they experience.

Helping Children Cope With Grief

Use words that are simple and direct.

How Children Understand Death & What You Should Say

If the death is due to suicide, a drug overdose, or violence, be honest without sharing too many troubling details. Ida, Always by Caron Levis shares the beautiful story of two city zoo polar bears, Gus and Ida, and their feelings when Ida becomes sick with an illness that cannot be healed and later dies. It's also important that you let the child express his or her sorrow.

Helping Children Cope and Deal with Grief after a loved one has died.

Distinguishing the difference age plays in how a child may behave can help you be more prepared when consoling a child. Every child reacts differently to learning that a loved one has died.
