Institute for Mergers, Acquisitions and Alliances IMAA.

## Australia's economy is 'rebounding strongly' from the coronavirus recession, Josh Frydenberg says

In 2018 Australia became the country with the largest median wealth per adult, but slipped back to second highest after Switzerland in 2019. North Korea even allowed parts of its territory to be used by foreign South Korean businesses, including the sightseeing areas around Mount Kumgang, in the southeast, and the Kaesong Industrial Complex, in the southwest. Its overall score is unchanged from 2019, with a small improvement in the business freedom score offset by a small decline in the government integrity score.

## Australia and Oceania: Resources

Across Asia, the politics has also ranged widely from authoritarian regimes or oligarchies to political democracies. Local governments called councils in Australia have their own taxes called rates to enable them to provide services such as local road repairs, local planning and building management, garbage collection, street cleaning, park maintenance services, libraries, and museums. In the , Australia regularly scores among the top five of thirty major developed countries member countries of the Organisation for Economic Co-operation and Development.

## Tasmania takes crown as Australia's best state economy during COVID

It has employed over 300,000 people and covered 60% of the land mass. But Lowe warned there were. In addition to native Australians and European s, Australians of Indian, Japanese, Vietnamese, and Lebanese descent call Sydney home.
