Michelle Carter, Inyoung You Charged With Boyfriends' Suicides

Certain groups of women are most at risk. The reasons that people attempt suicide are varied and complex, but they often involve severe emotional or physical pain that a person finds unbearable. More men die by suicide than women, largely due to the methods they choose—guns, single car accidents and hanging.

Why People Kill Themselves, Commit Suicide

Mental Illness as a Cause of Teen Suicide While all the above are driving factors of teen suicide, often the underlying issue is one of mental illness. I'm only interested in this post in describing the feelings suicidal persons have that contribute to their thoughts of killing themselves. Samaritans state that around think about suicide at some point in their lives.

Why Do Teens Commit Suicide? Causes of Teen Suicide

The gender difference in suicide methods is usually attributed to one of three reasons.

Japan's female suicide crisis

The reason for this last mission is to prevent the body from remaining alone, for the *yūrei* to start shouting and the dead body to return to its previous original abode in the Suicide Forest.
