See Figure 12 for the square box that depicts the hips. Horse Training and Activities The Connemara Ponies are extremely versatile as they are great performance ponies for showing and are also great for trail and pleasure riding. Pioneers liked these horses because they have fantastic stamina and speed.

Mustangs: Facts About America's Wild Horses

Discover a whole new world and read the fascinating stories of these breeds: their history, the landscape they live in, how they survive and the efforts made to protect them. It really goes to show that sometimes going above and beyond really can enhance the showing of a collection. In the 1700's or Barb blood was introduced into the breed by wealthy landowners.
