## 9 Treatment Issues Specific to Prisons

Roles can also be reversed so that perpetrators experience the emotions and thoughts of their victims.

### Ch.15 Service and Treatment Plans

The best outcome was for the MTC group that also received TC aftercare. In response to the increasing number of inmates with co-occurring substance use and other mental disorders, the Colorado Department of Corrections contracted with a private not-for-profit agency to develop the Personal Reflections Therapeutic Community program at the San Carlos Correctional Facility in Pueblo.

#### An evaluation of a short

These are individuals whose home, for much if not all of the rest of their lives is the prison. Does the offender struggle to control his sexually deviant desires and preferences when alone with a child or woman? These understandings should be incorporated into an initial treatment plan that will be subject to changes, as new assessment information emerges and as the youth changes during treatment. On an aside, 40 years later, Durose et al.

#### An evaluation of a short

It is a 500-bed facility that provides treatment to inmates during their final 9 months in prison. Complete isolation from the general population is somewhat unusual, however.
