## **Europe's last red terrorists : the Revolutionary Organization 17 November / George Kassimeris**

He writes regularly for the Wall Street Journal Europe and the International Herald Tribune and is now working on a biography of Andreas Papandreou. Since the 1970s, Europe's last Marxist-Leninist terrorists the Greek Revolutionary Organization 17 November have waged a violent campaign against US and NATO personnel, Turkish diplomats and members of the Greeks military and business elite.

Yet no one suspected of belonging to the organization, let alone of being involved in its terror campaign, has ever been arrested. Combining fanatical nationalism, contempt for the existing order, and the cult of violence for its own sake, 17 November has stubbornly refused to accept that its eclectic belief system is incompatible with modern democratic principles.

## **Europe's last red terrorists : the Revolutionary Organization 17 November / George Kassimeris**

Combining fanatical nationalism, contempt for the existing order, and the cult of violence for its own sake, 17 November has stubbornly refused to accept that its eclectic belief system is incompatible with modern democratic principles. It's not a bad book, but it's not a good one, either.
