programs, and internships. To keep yourself organized, you should combine them into one master list. This is actually a test.

How to Make a Career Choice When You Are Undecided

As you can see the post was getting very long. I enjoy it because it gives me the opportunity to think outside the box and create with other people. I have developed a list of interview questions and topics that I feel allows me to really gauge how well the candidate would perform technically.

How to Make a Career Choice When You Are Undecided

Include any anticipated barriers that could get in the way of achieving your goals—and the ways you can overcome them. What have you done, beyond your job description, that saved the team from a disaster or helped them make an impossible deadline? When given the floor to ask questions, you should realize the interview is not over yet. Example Answer In my last job, I was working as the talent manager for a media company.
