The poems of John Ruskin : now first collected from original manuscript and printed sources : Ruskin, John, 1819

Do not give him blow for blow; Melt his heart with kindness! In defining categories of beauty and imagination, Ruskin argued that all great artists must perceive beauty and, with their imagination, communicate it creatively by means of symbolic representation. It is thus particularly appropriate that a work which had been undertaken to defend the value of painting should have referred to the principle of *ut pictura poesis*, for throughout the Renaissance and eighteenth century, poetry and painting had been juxtaposed as a means of defending the prestige of the visual art.

Ruskin Bond Poem: Look for the Colours of Life

In 2006, , Raficq Abdulla, and were among those to contribute to the symposium, There is no wealth but life: Ruskin in the 21st Century. His time in the capital is filled with books, visits to the cinema, music, and walks and conversations with his father — a dream life for a curious and wildly imaginative boy. Ruskin's health was poor and he never became independent from his family during his time at Oxford.
