Those ashore faced a constant day-to-day battle of life and death.

The United States Marine Corps At The Battle of Guadalcanal

The more this happened, the more complacent the Marines became. Both sides suffered heavy losses of men, warships and planes in the battle for Guadalcanal. The Marines and Army soldiers repelled a Japanese attack on the 23rd, inflicting heavy losses on the Japanese and pushing the Japanese out further during the rest of the month.

Guadalcanal: The Definitive Account of the Landmark Battle by Richard B. Frank

Army and Marine transport aircraft began to shuttle aviation gasoline from Espiritu Santo to Guadalcanal.

Guadalcanal

Having exhausted themselves in the campaign for the island, the Japanese had weakened themselves elsewhere which contributed to the successful conclusion of Allied campaigns on New Guinea. The Battle of Guadalcanal was one of the first long campaigns in the Pacific.
