The third section is devoted to the relation between inequality and capitalism, while the final part looks at the reproduction of inequality. Citizenship, Discourse Ethics and an Emancipatory Model of Lifelong Learning. Clarence W.

Habermas, Critical Theory and Education by Mark Murphy, Paperback

The limits of social mobility and of access to activities are the limits of a social class. The economy is only the most important dimension of inequality and its reproduction in capitalist societies. Democracy and Nature, 9 1 , 51-64.

Critical Social Theory

This theory also has a normative side, which is inquiry into democracy itself outside of its familiar social container of the nation state. By defining expert activity through its social consequences and by making explicit the terms of social cooperation between researchers and patients, lay participants reshape the practices of gaining medical knowledge and authority Epstein 1996, Part II.
