A MODERN JOSEPH SMITH One day in modern times an older child was looking at the fire in the fireplace when he saw a shining metallic gold plate. Senator Carrick: — It is offensive to say that the document has been doctored.

### CONVENTION ON THE CONTRACT FOR THE INTERNATIONAL CARRIAGE OF GOODS BY ROAD (CMR)

The southern states of Europe underwent such extraordinary revolutions during the preponderance of the French under Bonaparte, that what happened to them during the eighteenth century, previously to these surprising events, seems comparatively of very little consequence ; of the changes and disturbances to which they were subject through the interference of the French, an account is to be found in the chapters relating to France. The guidelines are designed to give effect to this philosophy without stirring up more opposition than is necessary in the process. From Korean soil Japan now draws much of her food ; Korea is the last outlet on the continent of Asia for her fast-increasing population.

Continued inquiry during November brought to light the fact that a much larger number of Government officials in the weighing department were involved in the conspiracy than was at first supposed. The Depositary shall, without delay, notify the applicant State as well as the Member States accordingly. It7 mortal Raphael, Titian, and Domenichino, having thus had it in their power, and in such critical moments, to pay the ransom of their native countries.
