New report shows that people with learning disabilities are at high risk of targeting for hate crime yet remain “invisible” in Government crime statistics

Working with the CPS and other experts, we will be developing training for our staff, family members and people we support to reduce their own vulnerability to hate crime, to identify and manage it. Abuse and neglect of dependent adults and elders is a crime.

Abuse in Disability Communities

These experiences, women reported, taught them from an early age that they should not report or attempt to put a stop to abuse. Background and Legal Framework Persons with Disabilities in India Estimates of the size of the population with disabilities in India differ greatly. Kanchana was unaware that she should report that she was raped, which was only discovered when she was discovered to be five-months pregnant.

New report shows that people with learning disabilities are at high risk of targeting for hate crime yet remain “invisible” in Government crime statistics

These provisions resulted from sustained advocacy from Indian and international activists and organizations working on disability rights. They are afraid to speak up.

For instance, in Delhi, Pooja, an 11-year-old girl with an intellectual disability was taken to the police station in August 2013 by her father after they reported that a neighbor had raped her.

Four things you probably didn't know about disability hate crime

It can also impact fine motor skills. That is just not true.
