Job Training Employees in these occupations usually need one or two years of training involving both on-the-job experience and informal training with experienced workers. Poultry and Other Livestock 116.

## AE556/AE556: Summary Report: Agriculture

Furthermore, we did an analysis based on the given data of 32 industries in Australia to demonstrate the influence of other industries to the Agricultural, Forestry and Fishing Support Service. This ratio is relevant for all industries. The members of the committee responsible for the report were chosen for their special competences and with regard for appropriate balance.

### Agriculture and fishing

Examples of such liabilities include accounts payable, customer advances, etc.

### Industries at a Glance: Agriculture, Forestry, Fishing and Hunting: NAICS 11

News article summaries are extracted from their sources, as guided by fair-use principles and are copyrighted by their respective sources. To be used as a guide only.

### Agriculture and fishing

The change was intended to conserve fish stocks and support subsistence fishermen.
