### How to Publish a Book Step

Book marketing is the process of promoting, selling, and increasing awareness about your book.

### 15 Book Promotion Ideas to Sell More Books Before 2020

There is Facebook and there is Goodreads but none of these two websites can be personalized as your very own website. It will make marketing your book during your launch a breeze.

Write Your Proposal This is the document agents want. Position yourself as a colleague, not a fan. It's up to you to truly market your book like it deserves.

### 11 Powerful Book Promotion Ideas for Self

You can develop a real relationship with your email subscribers and turn them into paying customers. Would they be persuaded by ads in their favorite communities? That way, you keep in touch with people who are interested in you. If you have the budget, run paid advertisements on Facebook and target an audience that has characteristics of your ideal reader.
