Mississippian culture extended along the Ohio River and into the southeast, and the trading network ranged from the Great Lakes to the Gulf Coast and into the southeastern mountains.

## Dickson Mounds

After the abandonment of the Lake Jackson site the chiefdom seat was moved to Anhaica rediscovered in 1987 by B. Elaborate decorations and jewelry made from Michigan copper North Carolina mica, and shells and pearls from the Gulf of Mexico were discovered in Hopewell mounds. Wyalusing State Park Mounds Archaeological District Bagley, Grant Co.

## The Mystery behind the 18 Giant Skeletons found in the USA

The earliest noted interment is 1848.

## Cemeteries in Kane County, Illinois

Bucher published an account of this area calling it a cryptovolcanic structure. Scholars theorize that the highest-ranking clans occupied the large northern mounds, with the smaller mounds' supporting buildings used for residences, mortuary, and other purposes. The site was eventually abandoned after several hundred years of occupation, although it is still unclear why.
