L'amour fou: A Revolution in Realism, Reflexivity, and Oneiric Reverie

Bechdel juxtaposes past and present, interspersing these childhood images with scenes of herself as an adult, lying on the couch, talking while her therapist silently takes notes.

Another way to put this point is that the beliefs and behaviors of the researcher are part of the empirical evidence for or against the claims advanced in the results of research. Both the flexible specialization and regulationist analyses of restructuring originated in the experience and perspectives of the North.
