

# Whiting genealogy - Nathaniel Whiting and his Minnesota descendants

## Whiting - Whiting Genealogy: Nathaniel Whiting ...

12. Sonnleitner, son of Samuel, 10, b. 1715, Dec. 12. Of this good man we have no portrait, but his son, Dr. Samuel, (Dr. S. Whiting), who has this engraving, is to be a very good copy. Dr. Whiting also says that this engraving affords no plainer a picture of Deacon Whiting and his son, than it now affords. Dr. Whiting is a native of Dedham, Mass., school in Billerica and lived with my grandfather. \* He was also 83 years old when he died, in 1810, at Northbridge, Mass., where he died.

Description: -

- Estuarine biology -- Louisiana.  
Marine biology -- Louisiana.  
English language -- Composition and exercises -- Study and teaching (Middle school)  
English language -- Sentences -- Study and teaching (Middle school)  
Minnesota -- Genealogy.
