## Governing California in the Twenty

About 38 percent of those who thought abortion should be legal in most cases voted for Bush. The court became the first high court in the nation to rule that sexual orientation is a .

## California

Opinions there are more conservative and Republican-leaning than elsewhere on virtually every question considered here. While the official census count day was April 1, there's still time to turn in census information online, by phone or by mail. Although another crisis was narrowly avoided, the merits of this problematic institution still ought to be debated.

## Pragmatics vs rhetoric : Political discourse at the pragmatics

Clear, concise and straightforward, CALIFORNIA POLITICS AND GOVERNMENT: A PRACTICAL APPROACH, 14th Edition, is the most up-to-date and readable text on this subject. As the final interpreter of the laws of the State of California, its decisions may only be reversed by the U. That gives every determined political minority--from welfare Democrats to right-to-life Republicans--the power to extract concessions from the majority, both by blocking additional spending and, in times of stress, blocking desirable spending cuts.

## 50 Must

In an era where the news cycle is measured in hours, not days or weeks, it can be challenging to keep up to date on the underlying issues that have shaped American political history past and present. But anyone looking for a new generation of citizen-legislators will probably look in vain.

## California

How do you get involved when you feel far from the action? The damage, rather, was done in the nonpartisan Legislative Analyst's office, which studies and evaluates the fiscal effects of the budget and all money bills. The most obvious is that while Congress has been the prime target, it is the state legislatures that have so far taken the hit--some 20 states have imposed legislative term limits in the past six years, all but one through the initiative. California Republicans have some hopes of gaining control of both houses of the state legislature in 1996--they now control one, more or

less--but if they succeed, the thing they will learn first and foremost is how limited their ability is to accomplish anything substantial.
