## Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)

A crisis can spread rapidly and have a dramatic adverse impact on an entire regional economic system and labour market. Project achievement So far 49 projects have been selected. Recent economic crises have revealed the need for adequate social safety nets to protect vulnerable populations from calamity.

## Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)

Each of the 49 projects that has, is, or will be implemented follows a different approach, based on the specific nature and target. Increasing rates of migration and a growing informal economy, as well as the need for women's empowerment are also key issues to work on. However, they share the common goal of creating and enhancing social security for workers.

## Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)

In response, a number of international organizations, including the ILO, took the initiative to promote social safety nets in Asian countries. Keeping children out of work and in school The establishment of social safety nets for vulnerable people have become more important than ever as the world globalizes.

## Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)

Although differing in history, culture, religion and stage of development, many countries have made efforts to strengthen their social safety nets.

## Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)

The Fund also responds to natural disasters by implementing crisis response activities in the affected areas to support disaster recovery.

Background and rationale Asian countries have experienced rapid economic growth in recent years, but persistent poverty and growing inequalities remain.

**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

For further information please contact: Mr Sho Sudo Chief Technical Advisor Tel. In addition, there are significant needs for appropriate and timely responses to natural disasters from the perspective of employment recovery, in which vulnerable people are the most affected, the least supported, and the last to rebuild their lives.
