I only recently stumbled across his writings and I was completely entranced. Some time later he opened it briefly, to mark the end of the first movement.

Five statements on silence by John Cage

Since the composers have been striving to produce music that could be separated from any social connections, transcending the boundaries of time and space. We were to keep our minds alert and report to each other the least fancy that crossed the picture-gallery of our thoughts. The hole was bigger now, and I got down on all-fours in a channel not much bigger than a large sewer-pipe and found myself in total darkness.

Written in the first decade of the 20th century, they were followed by more atmospheric and, to me, more terrifying tales. Allais was an associate of, and given Cage's profound admiration for Satie, it is possible that Cage was inspired by the Funeral March.

Hunting for Silence

The message of Genesis is that in the most vital areas of human life there can be no progress, only an unending struggle with our nature. What I found most compelling was the undeniable pleasure of feeling the terror build slowly, sometimes excruciatingly slowly, at first and then reach an awful, nerve-wracking crescendo. To satisfy his interest in the supernatural, he joined.
